

HOME NATIONAL BANK'S ONLINE BANKING HOW-TO

ONLINE BANKING HOW-TO

This process must be completed on a desktop or laptop, not a mobile device.

1. Visit homenatlbank.com and click on Online Banking Login
2. Click the blue Enroll Now link
3. Fill in all of the boxes. (Hint: your PIN is the last four digits of your social security number).

MOBILE BANKING HOW-TO

Touch Banking App – this app allows you to transfer funds and view transactions in each account.

1. Go to the app store on your phone and download Touch Banking
2. Enter the app code: GoMobile1346
3. Use the same username and password as online banking.

Card Valet App

– this app allows you to manage your debit card, turn your card off, and set spending limit alerts.

1. Go to the app store on your phone and download Card Valet
2. Enter in an e-mail, username, and password
3. Enter your debit card number including the security code on the back and the card expiration date.
